Project Description / Scope of Work / Material and/or Service Provided:

Initiative & Council Interest

Initiative and committee participation is a great way to maximize the networking potential of your membership, engage with the Chapter, and further develop as a construction professional. Volunteers drive the decisions and outcomes of Chapter business and all members are encouraged to participate. Most teams and councils meet bi-monthly. Please select the council(s) below that individuals from your company are interested in participating.

- Building Council
- Heavy Highway & Infrastructure Council
- Industry Professionals Council
- Safety Council & Peer Group
- Young Professionals Committee

Disclaimer and Signature

I certify that my answers are true and complete to the best of my knowledge.

By giving Associated Builders & Contractors, Inc. your address, fax number and/or email address, you are granting ABC the privilege of sending communications about products, events or services to your company unless you specifically request not to be contacted by any or all of these means.
